Tony,

Thank you for your interest in offering continuing education credit to Mississippi waterworks operators. The submitted courses are approved for the number of CEU hours listed. Please send a list to me quarterly of MS waterworks operators that have completed courses and the number of hours issued.

Thanks,  
Christi Brantley, Director  
Training & Monitoring Branch  
Bureau of Public Water Supply

Hello Christi,

Sorry for the delay in getting these materials over to you. I had to make some modifications to the documents that were sent back in December. Please review these items at your earliest possible convenience. Please do not hesitate to write back or call if I can be of any assistance at all.

Thank you,  
Tony Bowers
